

To whom this may concern,

Out of almost 7000 students who entered the GradStar awards, Leeson Govender made the TOP 100 of 2019, which is a huge feat in itself.

Leeson joined us in Johannesburg at the Indaba Hotel for 2 days of business workshops, networking with top employers and learning from the best young minds in South Africa. The night of the 19<sup>th</sup> September, we had a Gala dinner in honour of these top students, which had the likes of Dr Thokozile Lewanika – Mpupuni (Absa), Akhram Mohamed (Huawei), Jason Goliath (MC) and Amanda Black (Performer) to name a few incredible game changers in this country.

Leeson is one of the most employable young persons in South Africa and we are very proud of what he will go on to do and be a future leader of our country.
